BE AMPOWERED

IT TALENT COMPETITION & COLLABORATION TO BUILD POC UTILIZING ABCD

ENROLMENT

SCHOOL ENROLMENT

Schools submit program registration forms with students sign-up list

STUDENT USER ACCOUNTS

Upon completion of school registration, student applicants are given user accounts and login details

STAGE 1

MASTER CLASSES

CORE TOPICS

To receive a Master Class certificate, each student must complete all Core Topics plus the minimum number of Electives

ELECTIVE TOPICS

Each student must select a minimum designated number of elective topics. There is no upper limit.

AWARD POINTS SYSTEM

Bonus Points are awarded for LIVE attendance for each topic and in-class participation. Points are awarded for completion of all Core, Electives and after-class Q&A course work.

STAGE 2

POC DESIGN COMPETITION

WORKSHOP BRIEFINGS

Opportunity to build Proof of Concepts on 5 Design Categories:

1. Graphical User Interface & Design Competition
2. Skills and Personality Traits X-Ray Competition
3. Career Compass and Skills Ladder Progression Mapping Competition
4. CV Module Building Competition
5. Social Marketing Campaign Competition

INDIVIDUAL / TEAM ENTRIES

Entries may be submitted as an individual or part of a team

STAGE 3

AWARD CEREMONY

MASTER CLASSES COMPLETION

Certificates will be awarded to students for completion of the Core & Elective Topics in award categories of Diamond, Gold, Silver and Bronze depending on the number of points earned.

POC DESIGN COMPETITION PARTICIPATION & WINNERS

Competition participants will receive a POC Design Competition Certificate. Winners will be additionally awarded Job Shadowing / Internship opportunities.

STAGE 4

JOB SHADOW / INTERNSHIP

HANDSON EXPERIENCE

Winners of the POC Design Competition and Diamond Awardees for the Master Class will be offered a job shadowing or internship opportunity in IT related fields with highly sought-after companies and professionals, and potentially interact with companies or youths in the Greater Bay Area.
